

Milwaukee Section Family Night/Elections

chairman: Joe Sagat (j.g.sagat(at)na.modine.com)

“A World in Motion at Discovery World”

Tuesday May 22, 2007 4:00 - 7:00 p.m.

Innovation Theater

Please join us for our spring family night and Governing Board elections. Show up early to tour the museum, aquarium and maritime exhibits. This facility is a jewel on Milwaukee's lake front.

This evening program promises to be family friendly by offering activities for kids of all ages to participate in “A World in Motion” glider design and build, “Dennis Sullivan” skimmer racing replicas and profile arts from the Rockwell Automation exhibits.

Parents and Adults are encouraged to participate in the learning activities or take in a presentation in high definition at “Innovation Theater”.

Museum Information:

Welcome to Discovery World:
Where science, discovery, creativity, technology, adventure, and ingenuity inspire visitors to turn their dreams into reality.

Discovery World is a complex and innovative concept that connects the natural world with human-designed technology.

We offer a large variety of educational, cultural, and environmental experiences for visitors of all ages. These experiences include:

- * “Hands-on” exhibits
- * Fresh water and salt water aquariums
- * Interactive educational programs
- * State of the art media and distance learning labs
- * Digital theaters
- * Live performance theater

Officer Elections:

These dedicated volunteers have agreed to be candidates as selected by the nomination committee:

**Chairman - Bernard Krauska
Secretary – Wayne Richter
Treasurer – Pat Schoepel**

Bernard has served on the board since 2003, including secretary and vice-chair officer positions. Bernard chaired the Lecture Series this past January.

Wayne has also served on the board since 2003 including treasurer and secretary officer positions. Wayne has been an advocate of IC engine industry relations and supports several teams in the Clean Snowmobile Challenge.

Pat Scheopel has been a good steward of our financial resources over the past year, and has agreed to continue his role as treasurer this coming year.

**Joe Sagat – Nomination
Committee Chair, Chairman.**

Registration:

Only pre-payments made with a **charge card** can be completed online via <http://milwaukee.sae.org>.

Retirees and members without web access may register by phone on the SAE Registration Line (414-687-3032).

Registration deadline: Sunday May 20 10pm

Parking Instructions:

Parking is available underground at Discovery World for \$7 per vehicle. Street parking along North Harbor Dr is free. Please check street signs for restrictions. Additional paid parking is available at O'Donnell Parking Structure, or see ParkMilwaukee.com.

Driving Instructions:

Discovery World is located off of Lincoln Memorial Drive on Milwaukee's Lakefront between the Milwaukee Art Museum and Summerfest Grounds. The street address is:

500 North Harbor Drive, Milwaukee, WI 53202

Road Construction Updates:

Change your route -- not your destination! Please note there is significant road construction on the Marquette Interchange (where I-94 and I-43 intersect). For up-to-date travel information visit mchange.org or call (888) 468-0037. Or, map your trip in advance with the Map-It Tool, choose Discovery World at Pier Wisconsin as your destination. The ramps from northbound and southbound I-43 to eastbound I-794 are closed, not to reopen again until late 2008. Traffic from the west is not affected and can continue to use I-794 eastbound.

Milwaukee Section 2006-2007 Governing Board

CHAIRMAN:

Joe Sagat
Modine Manufacturing Company
email: j.g.sagat@n.a.modine.com

PAST CHAIRMAN:

Alt SECTION DELEGATE:
Dale Wiza
email: dwiza@hcl.org
Work: 414-529-6700 x 149

Friends,

This is our last member meeting for the 2006-2007 season. This will also be my last meeting as the SAE Milwaukee Section Chairman. I have served two years as chair and I can say that I've enjoyed the experience as well as the challenges. I achieved most of my personal goals and I will remember the experiences I participated in, because SAE brought these experiences to me. Most notably were the student competitions hosted by our Section (Baja and Clean Snowmobile Challenge), our Section's relationship with our area colleges, our sponsors and the responsibility of overseeing our Section's issues. It was also my pleasure to communicate with SAE National and to open up a dialog with them that I know will continue to grow. Be assured that plans are in place to continue the progress your SAE Milwaukee Board has made over the last couple of years. I welcome you to contact us with your input and to challenge us to serve you. We've strived to improve your ability to communicate by using our own section website as well as releasing our work email address. Please continue to make contact with us, and let us know that you're there.

I'd like to thank the Lake Michigan Region of the Rolls-Royce Owners' Club of America. Many beautiful vehicles were on display at Boerner Botanical Gardens for April's "An Evening of Elegance" Member Meeting. Our thanks go to you for taking your vehicles out on a weeknight and having many of you drive miles north for us to enjoy. A few lucky people got to drive and ride in these babies. We were also grateful to have Mr. David Seidman discuss the history of Rolls-Royce, and to have Mr. Tom Nutting guide us through some of the technical items that make Rolls-Royce and Bentley vehicles unique. The members of this owner's club were very gracious to us during the planning process as well as at the vehicle presentations. I think it was an informative night for both Rolls-Royce owners and our members. SAE Milwaukee works because of these types of donations of knowledge from friends of all interests.

The universities in our Section who submitted grant requests last month, on behalf of the Student Chapters within their schools, will be receiving their grant awards shortly. The grant committee enjoyed reviewing the applications submitted by the Student Chapters. Please recognize that SAE is adding value to our college students. Your participation in our section allows this to happen. I'd like to also thank our sponsors and corporations. Without their donations, we wouldn't be able to offer this value and other important services and subsidies throughout the year.

Our last member meeting of the season will be our annual Family Night, to be held at the new Discovery World, on Milwaukee's lakefront. We start off with an hour to enjoy the new exhibits, followed by a light meal and a chance to enjoy one of SAE's "A World in Motion" activities. This is a wonderful chance to spend an evening with your family and enjoy the new DW! SAE membership allows attendees and their families to participate at a greatly reduced cost. SAE elections for next session will also be held.

To my friends on the Board, I want to thank you for your volunteer work this year. It's been an honor working with you and please remember to continue to make "it" fun.

Best regards,
Joe Sagat
Past SAE Milwaukee Chairman

Meeting Sponsorship

For more information on becoming a sponsor, please contact any Section Board member.

Keep current with us on these SAE web sites:

www.saemilwaukee.org for the Milwaukee Section or
the national site at www.sae.org

For more information on **A World In Motion** call: 724-772-8514, and ask for Darlene Geweth
email: awim@sae.org internet: www.sae.org/foundation/awim
